*The here.here concert series of experimental music will be performed by musicians drawn from the London music scene as well as UCA students, researchers and staff. The project is a collaboration between bookRoom and the Audio Research Cluster, supported by UCA research fund, curated by Emmanuelle Waeckerle and Harrey Whalley, around their common research in extended, textual, visual, gestural and object scores and ways to integrate or experience technology in text/music/film/performances.*
