

Pause

Run run

Run away fast

Past is the tense of fascination

Past is the tense of fascination

Pause

When was the last time ?

When was the last time ?

Pause

Tears rolling down my cheek.

Past is the tense of repetition

Past is the tense of repetition

Run run

Run away fast

When was the last time ?

When was the last time you felt

like stopping time ?

like stopping time

like stopping time

Pause

Shivers down my spine

Past is the tense of repetition

Run run

run away

Fast

When was the last time ?

When was the last time

you did stop ?

You did stop

You did stop

Pause

Will it happen again ?

Can it happen again ?

Should it happen again ?

Run run

run away fast

Past is the tense of fascination.
